2 *Cupid's arrow* striking the heart symbolizes the fateful moment when love begins.

3 *The moving diamond* within the pendant mimics the pendulum of a clock, reminding us that every second spent together strengthens the bond and creates timeless memories.

With every sparkle, this pendant celebrates **love's journey guided by time and destined to shine forever.**

The **crown setting** gives the illusion of a diamond that appears **twice as large**.

Using a CNC machine,

Gold is engraved to mimic diamond facets resulting in a **more brilliant look**.

Ticktock, the diamond is moving

The diamond **moves side to side**, just like the pendulum of a wall clock.
